Information Letter for Year 1 and Year 2 Classes

January 2021

Dear Parents

We would like to warmly welcome you back to a new term and wish you a happy new year. With the Prime Minister's announcement, we are sorry to say that we will not be welcoming most children back to school in Term 3. Instead, teaching will move online and, for Y1 and 2, this is through Seesaw. If you are a critical worker or a family of a child who sits within the vulnerable category, please do see the separate email sent out regarding sending your child to school although we would ask that you only take up a place if completely necessary.

Home Learning: For those working at home, you will find your work posted on Seesaw each evening at 6pm the night before with updated home learning resources to support your child with their ongoing education. Please do share what you are up to by uploading your work onto Seesaw where your work will be regularly monitored by your class teacher. Worksheets will also be available to download from the class webpage on the school website.

Topics for Term 3: Our first topic will be based around Transport through time and our science work is exploring materials. Please look at our [website page](#) for this term's overview although this may be subject to change at short notice. Each week you will have both English and maths work set just as you would if you were in school. There will be weekly spellings for you to learn and handwriting practice too. Please continue to support your child with daily reading and [DoodleMaths](#). Remember to keep up your times tables work through [TTRockstars](#) (year 2) and [Numbots](#) (year 1 and 2).

Reading: All children have reading folders however we are unable to change books while the children are not at school. However, your child can sign up to the library for ebooks or register for Oxford [OWls](#) for a range of ebooks. *Daily Reading with and to your child is invaluable.* If you have any problems with any log ins please do contact your child's class teacher through Seesaw and we will aim to get back to you as soon as we can.

Thank you, as ever, for your continued support in these challenging times.

Yours sincerely,

Mrs Newark,

Miss Jupp,

Miss Evans,

Mrs Hayden
