Las Aventuras de Mifú y Tina y los Juguetes

We learn Spanish in a fun and playful way with our friends from the magic box. There are stories, rhymes and lots of games, with plenty of items to touch and hold. To engage young linguists we plan different activities each week, while progressing with a structured course.

The student activity book lasts up to one school year contains lots fun listening comprehension and an informal introduction to written Spanish. The children love to colour in the pictures and follow the stories about their favourite characters.

Lesson are priced £5.25 each\*, books with audio app access are £15 and there is an annual fee of £3 for the medal. Enrolment is termly based on a 3 term year. Children eat first and then come to the club.

You can register your interest in the club by completing the form below and returning it to the school.
