

Information Letter for EYFS Classes

April 2022

Dear Parents

We would like to warmly welcome you back again after Easter. We hope that your children settle back happily, and we can get back into the routines we established last term. We are looking forward to an exciting and busy term.

We continue to expect all children to be as independent as possible. In order to maintain routines and keep your child safe, we would like to remind you of our expectations for daily procedures

School starts at **8.50am** and ends at **3.10pm**. The class teacher will meet the children in their spot by the EYFS field just before 8.50am. We understand that occasionally you get delayed and cannot always stick to these times, we are only human, however it can be very unsettling for children if they arrive late frequently and class has started. This is also true at the end of the day when most children have been picked up. All teachers will often have meetings directly after the end of the school day so this will delay the staff also. Registration will start at 9am (the school gates will also close at this time) - a late mark is received for any child arriving after 9am up to 9:10am. After 9:10am your child will receive an unauthorised absence for the morning.

Morning Routine

- **Teachers will meet you next to the EYFS field in lines- Bumblebees near the bike sheds and Butterflies further up the path near Pear Class.**
- **We politely ask that parents leave the site as soon as the Class Teacher arrives to ease congestion.**
- **Reading folders will need to be brought in daily.**
- **The children will continue to be asked to wash their hands as soon as they enter the school buildings and at regular points throughout the day to continue with the good hygiene habits they have got used to over the last year.**

Afternoon Routine

- **Pick up is 3.10pm**
- **Please meet your child outside their classroom. It really helps us if all parents stand in front of the classroom so we are able to see them.**
- **You are welcome to stand further back, on the bike track for more space if required.**

We thank you for your co-operation.

Topics for the Summer Term:

Our first topic will be based around Ramadan and Eid. We will also be learning about; People who Help Us, Change and Growth, The Sea and Schools. Please look at our [website page](#) for this term's overview. The teaching of Phonics will continue and please do read the letter that will be sent to you regarding the next phase of this scheme. Please continue to support your child with daily reading and DoodleMaths and DoodleSpell. We will consolidate numbers, moving beyond 10 and shape work and look at a greater range of mathematical patterns including doubling and halving and odds and evens.

We are hoping to enjoy a day out on 'The Matthew' in Bristol as part of our The Sea topic. Due to the cancellation of the Herschel Museum visit, we will be in contact regarding how the money you paid for this will be put towards this trip nearer the time.

Snacks The school policy on snacks is to ensure that they should be a healthy option. If you would like your child to have a mid-morning snack, we encourage them to bring in fresh fruit or vegetables. The

best snack for break time, are foods that they can eat outside and they can eat with their fingers. Chopped up, fruit or raw veggies such as carrots or peppers are ideal. Breadsticks and wholemeal crackers are also great finger foods that can be spread with low-fat soft cheese. Please note: that the most recent guidance is that dried fruit is no longer recommended as a between-meal snack as its high in sugar and can be bad for teeth. Parents have asked about various shop purchased snacks, such as fruit winders and various breakfast bars etc. Most of these snacks are usually high in sugar. Water should be the only drink. Milk can be purchased through the [school milk service but is free until your child turns 5](#). **It is essential that your child has a named water bottle that is easy for them to refill during the day.** Thank you for your support

Footwear

During both break and lunchtime, the children will have the option of accessing both the main school field, the playground, the EYFS field and The Secret Garden. We aim to get the children out in all weathers all year round and therefore ask that your children come to school with a pair of wellington boots or other suitable outdoor shoes that they can change into for these times. We have shoe stands to allow these to remain in school all week but just ask that all boots and shoes are named.

Nut, seed and lentil life-threatening allergy awareness: We have several children with severe life-threatening nut, lentil and sesame seed allergies and a reaction can be triggered by airborne contact. For safety reasons, we must insist that parents/guardians do not send children to school with peanut butter sandwiches, Nutella, cereal bars containing nuts etc. or indeed anything containing nuts, lentils or sesame seeds (i.e. on buns or snack bars.) This also applies our aim above to discourage confectionery for birthday celebrations – sweets and chocolates can contain traces of nuts and seeds. Thank you for your co-operation and understanding with this.

Birthday celebrations: We do not wish to spoil any child's birthday happiness but at the same time we do not want to add to the issues that we all know sugar causes for children. School council's presentation about the issues around sweets been sent in for birthdays can be found [here](#) and their presentations linked to our sugar smart campaign can be found [here](#). We are introducing other ways of celebrating your child's special day in school without cakes and sweets. We think these are choices for you to make for yourselves at home. So please do not send sweets, cakes or other treats into school when it is your child's birthday. You may wish to consider an Amazon voucher so the class can buy a book or a game for wet play as an alternative.

Toys: Toys may be brought into school if requested as part of a class activity or display however we ask that they are not brought in at any other points. School will provide games and activities for Golden Time.

Homework: All children have reading folders. These should come to school every day. In them, you will find a book and a reading record/planner. Twenty quiet minutes is all you need each day. It's amazing how this will aid your child's progress. *Reading to your child is invaluable.* Please see our presentation about how you can support your child's reading at home [here](#). [DoodleMaths](#) and [Numbots](#) are an excellent resource that school subscribe to on your behalf. Do utilize these programmes as regularly as you can. This term we will also update your child's spelling lists with words to practice at home.

Physical Education

PE lessons are completed through an indoor and an outdoor games session

PE Kit:

Indoor kit should be red plain or [Saltford t shirts](#) and black shorts.

Outdoor PE Kits should include long warm jogging trousers, a red T-Shirt, trainers and a fleece type jacket. Please find a link to purchase our new Saltford School red sports fleeces [here](#). Please keep these in school all week as sometimes we have to adjust our P.E. slots.

Swimming: Unfortunately the Swimming Pool is currently closed awaiting repair. We will keep you updated via the newsletter - but it is likely the pool will be closed for the rest of the academic year. We will be doing an additional PE session inside to ensure the children continue with regular physical activity.

Class	Indoor PE	Outdoor
Bumblebee	Thursday	Tuesday
Butterfly	Thursday	Tuesday

Our Outdoor PE slots this term will be taught by Up and Under Sports.

PPA Time: This is class teacher's support time away from the class room and will be covered by Mrs. Browne. PPA time will be every other Thursday for each teacher. Mrs Browne will also teach Bumblebee class every Friday as Miss Davis will be carrying out her duties as a Raising Standards Associate, supporting standards in primary schools, across Futura Learning Partnership.

Lost Property: **Please make sure that everything is named.** This includes things like socks, shoes, hats, gloves, lunchboxes and drink bottles!! If everything is named, we will save a huge amount of time searching for lost items.

School Dinners: Foundation Stage children are not required to pay should they wish to have a school dinner. Alternatively, parents can choose to provide their child with a packed lunch from home. Please see [here](#) for the current menu.

Payments: Where payment for trips or events is required, the school uses School Gateway, an online payment system. A link to the School Gateway system is available on our website or through <https://login.schoolgateway.com/0/auth/login>.

Uniform – Please see our [presentation](#) regarding uniform here.

Hair: We would like to request that all long hair (boys and girls) is put up for school in an effort to help prevent the outbreaks of head lice which are so common. Please can all hair be tied neatly, with only small clips and elastics to fasten them. Please see our uniform policy in the office section of the website for further information. <http://www.saltfordschool.org.uk/the-office/>

Voluntary Classroom Support: We are always looking for parent helpers to support activities in school. If you can help we are always very grateful- even if it is on odd occasions or only for a short period of time. DBS forms are available from the school office.

Thank you, as ever, for your continued support.

Yours sincerely,

Miss Davis
Bumblebee Class Teacher

Mrs Morgan
Butterfly Class Teacher
