

READ A BOOK....

At the Library

With someone younger than you

That's about a real-life person

About a place you'd like to visit

With a favourite toy

That will teach you a new skill

Written by your favourite author

Whose main character is about your age

That is part of a series

That has a cover you love

That was written this year

That is about

That a friend recommends

That is non-fiction

That your mom or dad liked as a child

That you've read before and loved

In your sleeping bag

While lying in the grass or sitting under a tree

That has been made into a film

That takes place in your favourite city

That is only pictures

About your favourite sport

That was written more than 20 years ago

That's an award winner

With a torch under the stars

MODERN MESSY
