

Termly Overview Autumn 2023 –Y3

	Term 1							Term 2										
	1	2	3	4	5	6	7	1	2	3	4	5	6	7				
Maths	Place Value Identify, represent and estimate numbers using different representations. Find 10 or 100 more or less than a given number Recognise the place value of each digit in a three-digit number (hundreds, tens, ones). Compare and order numbers up to 1000 Read and write numbers up to 1000 in numerals and in words. Solve number problems and practical problems involving these ideas. Count from 0 in multiples of 4,8, 50 and 100				Addition and Subtraction Add and subtract numbers mentally, including: a three-digit number and ones; a three-digit number and tens; a three digit number and hundreds. Add and subtract numbers with up to three digits, using formal written methods of columnar addition and subtraction. Estimate the answer to a calculation and use inverse operations to check answers. Solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction.			Consolidation	Multiplication and Division Count from 0 in multiples of 4, 8, 50 and 100 Recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables. Write and calculate mathematical statements for multiplication and division using the multiplication tables they know, including for two-digit numbers times one-digit numbers, using mental and progressing to formal written methods. Solve problems, including missing number problems, involving multiplication and division, including positive integer scaling problems and correspondence problems in which n objects are connected to m objectives.				Assessments	Multiplication and Division continued and consolidation Count from 0 in multiples of 4, 8, 50 and 100 Recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables. Write and calculate mathematical statements for multiplication and division using the multiplication tables they know, including for two-digit numbers times one-digit numbers, using mental and progressing to formal written methods. Solve problems, including missing number problems, involving multiplication and division, including positive integer scaling problems and correspondence problems in which n objects are connected to m objectives.				
English	The Proudest Blue – Narrative focus			The Proudest Blue – Non-fiction focus				Arthur and The Golden Rope – Narrative focus				Arthur and The Golden Rope – Non-fiction focus						
Science	Electrical Circuits							Living things – animals and humans										
History								Stone Age and Ancient Egypt										
Geography	A study of North America and Europe																	
Computing	Computing systems and networks							Creating media - Animation										
Music	Active Music – Rhythm and Pulse				Harvest songs			Active Music – Rhythm and Pulse				Christmas performance						
RE	Hinduism Divali/Judaism – Beliefs and Practices							Christianity (Christmas)										
PHSE	Jigsaw Unit 1 - Being me in my world							Jigsaw Unit 2 – Celebrating difference										
DT	Wonderful World and Food																	
French	J'apprends le francais Les Jours La phonetique							La chenille qui fait des trous										
PE	Football Health related exercise							Basketball Dance										
Art								Ancient Art
