

Salford School remote learning plan 2021/22

In September 2020, all our classes returned to full-time education following the Covid 19 closure in March. Although we hope that the majority of our children will now have an uninterrupted experience, there is the possibility that an individual child, a class, or indeed the whole school, will need to self-isolate for a period of time. We have therefore put in place a plan for remote learning so that all children can continue with their education.

This meets the expectations set out in the DfE guidance 'Remote Education Support'

<https://www.gov.uk/guidance/remote-education-during-coronavirus-covid-19>

The school will use the news page on its website to post remote learning unless a whole class or year group closes – in which case we will revert to Seesaw and Tapestry. On the news page will be important information regarding remote learning during absence from school.

If a child does not have access to a computer/laptop and/or the internet, the school will do all it can to support children and will provide paper packs of learning. Where funding can be accessed, remote devices (e.g., laptops) and/or 4G connections will be sought, particularly for disadvantaged children. Parents will be reminded to make the school aware of any barriers to accessing remote learning.

You will find here an overview of lessons to be completed each day.

It will provide learning across the curriculum and children will be expected to spend a similar amount of time completing this as they would spend learning in school as long as they are well enough to do so.

The Overview.

EY's / KS1 & KS2

The daily timetable will include:

- Maths – White Rose Maths and NumBots / X Tables Rockstars / Doodle maths

The Oak National Academy.

The 'teaching content' will be provided to children through age appropriate video content on the DfE published list of educational resources site; Oak National Academy website. This provides the equivalent of 3 hours of lessons per day for primary school children. In their 'classroom' each lesson is an hour-long. They're delivered by a teacher, with a pre-recorded video as well as quizzes, worksheets and creative activities. It's all easy to use, there's no login or password, and you can access the lessons on any device- pupils only need materials they can find at home.

Providing feedback

Pupils can send any completed work to teachers via their Tapestry or Seesaw account. Alternatively, work that children complete on paper should be kept safe and returned to school when safe to do so.

Contact with pupils/ parents

Parents are able to contact the school via telephone or the school admin email address (contactus@saltfordschool.org.uk) Any response will be made within 48 hours. Where a pupil is self-isolating on medical ground for a significant period of time, contact will be made via telephone on a weekly basis to monitor learning and provide support if needed.

Pupils identified as vulnerable will be contacted by Mrs Sage or Mrs Godwin on a weekly basis and support offered as necessary.

Safeguarding

Please refer to Child Protection and Safeguarding Policy.

Data protection

When accessing personal data, all staff members will: Only use their official school email account and connect to the school network using their school laptop only.

Sharing personal data

Staff members are unlikely to need to collect and/or share personal data. However, if it does become necessary, staff are reminded to collect and/or share as little personal data as possible online. All data collection will be compliant with GDPR guidelines.

Keeping devices secure

All staff will take appropriate steps to ensure their devices remain secure. Computers should be locked if left inactive for a period of time. Operating systems must be up to date – always install the latest updates.

Monitoring arrangements

This policy will be reviewed by the Headteacher as and when updates to home learning are provided by the government. At present the 'live lessons' will be used via the Oak Academy.
