Dear Parents and Carers

### **EYFS Woodwork**

We have recently invested in a woodwork bench and materials especially adapted for our Reception children. We would love to use this resource as much as possible but it does require adult supervision whenever we use it.

If you feel you have any free time and appropriate skills, or have members in your extended family who could support the use of this resource, we would be most grateful if you could help us. We would like to introduce the skills of sawing, hammering, drilling and constructing very simple pieces.

Every volunteer is subject to a DBS check so please be aware that you will have to complete this and wait for authorisation before you can work in school. The appropriate paperwork is available from the school office.

Please either contact Miss Honeybell or leave a message with the school office if you are able to help. Anything from an odd hour to regular session would be great.

I look forward to hearing from you.

Miss Honeybell  
EYFS Leader
