Saltford School fireworks display on the 5th November

We hope you’re all looking forward to the school fireworks display. To ensure everyone has a fantastic evening, we have a few things to bring to your attention ahead of your arrival:

Running Order
- Gates will open at 5.00pm
- Food and drink are served in the main hall from 5.00pm till 6:20pm
- The fireworks display starts at approximately 6.30pm

Arriving
Entrance is from 5pm via the main school gate on Claverton Road (all other gates will be closed). Please have your wristbands ready to show at the gate (no wristband; no entry). The fireworks display will take place at 6.30pm, but we recommend arriving an hour beforehand.

Food and Drink
A variety of food and drink stalls will be available (though no alcohol will be served). Food and drink is available from the main hall, and glow wands can be bought from outside the main office.

Toilets
Toilets are available in the year 6 block and main school building. Please pay attention to signage and restricted areas. The new building and rainbow room are out of bounds.

Walking and parking
If you live within walking distance, please leave your car at home, and come on foot. If you do need to bring a car, we ask that you avoid parking along Claverton Road. This road must remain congestion free for emergency vehicle access. Please park considerately, and do not obstruct driveways or park dangerously.

Suitable clothing
Please prepare for an English evening in November. Suitable footwear (boots or wellies) and coats should be worn.

Safety
We have first aid in classroom JG in the year 6 block (kindly provided by AP First Aid Training). They will provide any first aid assistance on the night. This is also the lost persons meeting point. Please ensure that children know this is where they need to go, in the unlikely event that they get separated from you. Do NOT bring your own fireworks, bangers or sparklers onto the site.

Alcohol
Alcohol brought onto the premises is not permitted at this event, and will be confiscated. No alcohol will be sold at the event.

Leaving the event
Exiting after the fireworks—or in the event of an emergency—will be made through the main school gate (Claverton Road), and the side gate by Tiddlers. The playground will be completely out of bounds.
