Dear Parents and Grandparents

Our History project for this term is 50s/60s. If you had any toys or games at home from this period that we could borrow to show the children, then we would really appreciate it. Please ensure these are clearly named so we can return them to the correct owners.

Even if you do not have any games to hand, if Grandparents could chat to the children about the types of games they played when they were at school this would really support the work the children do in class.

Thank you in advance for your cooperation.

KS1 staff
