Dear Parents

To support our Wonderful Wildlife and Harvest topics in school all the children in Key Stage One have the opportunity to visit Manor Woods for a morning of learning in the outdoor environment. The children will undertake signs of autumn activities and study and create animal habitats.

Class ED will visit on Tuesday 25th September
Class SEH will visit on Friday 28th September
Class RH will visit on Wednesday 26th September
Class NJ will visit on Monday 24th September

As this is a local trip, run by the class teacher, we will be walking the children to the venue so require as much adult support with this as possible. We already have your permission for local walks, but please indicate clearly in the comments section of school gateway whether you are able to help with the trip which will run from 9.00-12.00pm.

As this is an outdoor, rural environment all children will need to bring a warm, waterproof jacket, sturdy wellington boots or outdoor shoes and warm layers.

Yours sincerely,
