Co-Chairs of Governors: Megan Jackson and Richard Rowland

Dear Parents/Carers

We would like to invite you to a Maths Workshop about our approaches to teaching Number, Shape, Space and Measures at Saltford Primary School. This evening will be held on **Thursday 28th March at 7pm**, in the school hall. The workshop will be led by Sarah Savage who is a Primary Maths and Assessment lead. She is an expert in her field and a very engaging speaker.

We will inform you about our approaches to the teaching and understanding of number and other maths skills. We will also provide you with many practical ideas for supporting your child at home from the Reception year onwards. We highly recommend that you attend this workshop. The methods used and the way in which you learnt mathematics are very different to how your child will develop their skills. It will be very beneficial, not just for the Reception year but also for your child's future development in the area of Maths.

There will be a sign-up sheet outside the Reception classrooms. If you are unable to sign-up please ask a friend to do so for you or email the school to confirm you will be attending. Please arrive from 6.45pm onwards for a 7pm start.

We hope to see you there.

Yours sincerely

Miss S Honeybell
Early Years Foundation Stage Leader
