Dear Parents/Carers

As in previous years, the school is inviting you to complete our parent voice questionnaire. This information, alongside our Parents Forum and the informal feedback we receive will help us constantly improve what we can offer to the children and our community. This year the school is using Microsoft Forms– please click [here](#) to access the survey. Click [here](#) to read the feedback from last year's questionnaire.

Whilst it was initially based on the Ofsted Inspection questionnaire, the school has added some questions that we feel are specific to Saltford.

There are always areas we can improve. However, it is important that we also recognise and celebrate our strengths and achievements.

In order to gain an accurate picture of our school, and determine the ways we can continue to deliver the best education for your children, we need as many questionnaires completed as possible. If you have more than one child at the school we would appreciate a questionnaire per child, as each of your children may have a different experience. Please feel free to add any notes that you wish, but please do not mention any member of staff by name. If you would like to make an appointment with me to discuss any aspect of your feedback – do get in touch. I am sure you can appreciate that it is very difficult to action areas for specific attention if the questionnaire is anonymous.

We appreciate your support and thank you in advance for your help.

Yours sincerely

Mrs D Sage
