Saltford School Summer Fair
Drawing Competition

To all children, we need your help to make an amazing school summer fair programme!

This year the Summer Fair falls on the day of Trooping the Colour in London. Can you draw a fabulous picture on either the theme of Trooping the Colour or something that shows your love of the Great British Summer.

We would love to see your pictures that demonstrate what you love about the Summer. Is it the Beach that you love to visit, playing in the park with your friends or out riding your bike in the sunshine? Or maybe you have an idea to celebrate Trooping the colour, union jack flags, horses and planes. Even a combination of the two! It needs to be bright, colourful and eye catching.

The winner will not only enjoy the glory of seeing their drawing on the front of the Summer Fair programme (which is delivered to every house in Saltford), but also a voucher for The Entertainer with 3 runners up prizes going to a student from FS, KS1 and KS2.

Please return your entry to the school office by Friday 22nd March.

GOOD LUCK!

Full Name: _______________________________ Class: _______________ Age: _______________

For printing purposes, we need you to draw your picture portrait style, which means the shorter edge is at the top of the picture. Please only use felt tips or pencil crayons and keep within the border. Copies of this form can be downloaded from the Saltford School PTA Facebook page or if you need an emailed copy please email PTA@saltford.bathnes.sch.uk We are happy to accept more than one entry if you have lots of ideas for the programme cover.
