Friday 7th June 2019

Dear Parents

We have decided to launch a very exciting campaign called the Big Battery Hunt.

In school your child will learn how important it is to recycle batteries and what happens when people don't.

Your child has been challenged to find and collect as many batteries as possible, please help them do this.

The batteries need to be at the end of their usage. Please do not send in any leaking batteries.

They can be as creative as they like by going to work spaces, places of worship, local businesses and the wider community to enlist everyone to help make sure that no battery ends up in landfill.

Your child has been supplied with a collection box, please get them to bring this into school when it is full so that we can add it to the main container. There will be certificates and prizes for the children who collect the most.

Please can batteries be returned by Friday July 12th 2019.

***Please see the base of your collection box for safety instructions.**

Many thanks.

Happy Hunting!

Yours sincerely,

Mrs Newark and Mr Jenkins
