Dear Parents

I am pleased to tell you that a visit to St Mary’s church has been arranged for all children in classes JG, HR, AB and NS on Thursday 13th June. This will be for a service conducted by the Revd Daile Wilshere, starting at 1.45pm and lasting for about forty minutes.

We greatly value our status as a Church of England school and our close links with St Mary’s Church. We hope, therefore, that all parents will wish their children to take part in this event, which will be a special celebration of Collective Worship.

Please indicate whether or not you can come along to help with escorting the children to and from the church. We do know that many parents work or have other commitments but we would appreciate three or four parents or other relatives volunteering to accompany us, otherwise the event will have to be cancelled.

Please indicate on school gateway if you give your child permission to attend, and if you would be able to help walk the children to and from St Mary’s.

Thank you.

Yours sincerely

N. Baker, R.E. co-ordinator
