11th March 2020

Dear Parents

In Class ESST we are hoping to start our computing topic on email shortly.

We will be using the year group email address for monitoring reasons. It would be great to start the topic with the children receiving an email from you by Wednesday 18th March so that they can open it on the Friday afternoon.

I'm sure that the children would be delighted if they could reply to your email. They would love it even more if you could reply back again!

We will then learn how to send and download attachments.

The email address is

year3@saltfordschool.org.uk

Please write your child's name and class in the subject box. (John Smith ESST)

The children will be unable to open links to blogs, Flickr, YouTube Etc as these are filtered by Swgfl. (The school internet service provider)

We are aware that not everyone will have access to an email account. If this is the case we can reply to your child. We will also be emailing Class PNMN.

Many thanks in advance for your help.

Yours sincerely

Mrs E Spincer
