Y6 Lifeskills Centre Trip – Monday 16th March

February 2020

Dear Parent

To give Year 6 children training on safety issues, we have the opportunity to visit the Lifeskills Centre in Bristol. This will provide essential life skills training on various issues e.g. fire and road safety, safety around water, basic first aid, etc. The trip will take place on Monday 16th March. The children will be going in two groups - Mr Godwin's class will need to be in school by 8.25 am, returning early afternoon. Mr Styles' class will leave at 12.30 pm and return at approximately 3.30. **All children will require a packed lunch on this day.** We would be very grateful if a small number of adults would be able to help with this trip, if you would be able to, please indicate this on the school gateway site. We will let you know who is coming by Friday 6th March.

The staff at the centre have asked that girls wear trousers or a skirt with tights (with school uniform), as this is an active visit. Also, if any children have experienced a traumatic incident, e.g. road accident/fire, please can you inform your child's teacher, as the staff at the centre need to be aware of this.

The cost of the visit will be £13.35. If you wish your child to take part, please make your payment via school gateway by Monday 2nd March. No child will be refused a place on the grounds that their parents do not wish to make a financial contribution, but unless a substantial number of parents wish their child to take part and are willing to make a contribution, the visit will have to be cancelled. If needed, arrangements will be made for the children whose parents do not wish them to take part. Many thanks.

Yours sincerely,

Mr J Godwin

Mr N Styles
