7th January 2020

Dear Parents and Carers

SUPPORTING YOUR CHILD’S PROGRESS IN MATHS – TUESDAY 21ST AND WEDNESDAY 22ND JANUARY 9.30 AM – 10 AM (AFTER ACCESS MORNING) IN THE BADGER ROOM

Maths is a fundamental skill that underpins the future learning your child undertakes. Children who can understand maths with a clear understanding is paramount to their educational development.

You are invited to a presentation about how you can develop your child’s maths ability, whether they are in Reception through to Year 6, and support them at home to master and develop this vital skill.

This meeting will run straight after both access mornings 9.30 am – 10 am in The Badger Room and is open to all parents.

If you would like to attend, please complete the reply slip at the bottom of this letter indicating which session you will be attending and return this to the school office as soon as possible.

Yours sincerely

Mr Godwin
Maths Co-ordinator
