July 2020

Dear Parents/Carers

I hope this letter finds you all as well as can be expected. This has been an academic year like no other – but we have done our very best to respond to the fast changing situation we have found ourselves in. Our thanks for all you have done to support your family and our school – your kind messages have been much appreciated.

In order that we can further understand how the pandemic has affected our families and firm up our planning for the return to school in September we will be asking you to complete a questionnaire at the end of August. This is so we have the very latest information available from you and from the government.

As in previous years, the school is also inviting you to complete our parent voice questionnaire. This is based from September 2019 onwards – albeit we appreciate it will mainly be based on your thoughts up until March prior to the government closing schools.

This information, alongside the informal feedback we receive will help us constantly improve what we can offer to the children and our community. This year the school is using Microsoft Forms– please click [here](#) to access the survey.

Click [here](#) to read the feedback from last year's questionnaire which also gives you an outline following feedback from the questionnaire based on the 2018-19 academic year.

Whilst it was initially based on the Ofsted Inspection questionnaire, the school has added some questions that we feel are specific to Saltford.

In order to gain an accurate picture of our school, and determine the ways we can continue to deliver the best education for your children, we need as many questionnaires completed as possible. If you have more than one child at the school we would appreciate a questionnaire per child, as each of your children may have a different experience. Please feel free to add any notes that you wish, but please do not mention any member of staff by name. If you would like to make an appointment with me to discuss any aspect of your feedback – do get in touch and I will arrange a socially distanced meeting in September. I am sure you can appreciate that it is very difficult to action areas for specific attention if the questionnaire is anonymous. We appreciate your support and thank you in advance for your help.

Yours sincerely

Mrs D Sage
Headteacher
