

# Salford School Summer Fair Drawing Competition

To all children, we need your help to make an amazing school summer fair programme!

This year the theme of the Summer Fair is Japan and the Summer Olympics.

We would love to see your pictures that demonstrate what you know and love about Japan and the Summer Olympics. Maybe you have a favourite Olympic sport? Anything from Gymnastics to Javelin. What do you know about Japanese culture or food? Or a combination of all of these things. It needs to be bright, colourful and eye catching. Due to Copyright Laws we are unable to use designs with the Olympic Rings, the word Olympics or recognisable Olympic Symbols.

The winner will not only enjoy the glory of seeing their drawing on the front of the Summer Fair programme (which is delivered to every house in Salford), but also a voucher for The Entertainer with 3 runners up prizes going to a student from FS, KS1 and KS2.

Please return your entry to the school office by **9am Monday 23<sup>rd</sup> March.**

**GOOD LUCK!**

Full Name: \_\_\_\_\_ Class: \_\_\_\_\_ Age: \_\_\_\_\_

For printing purposes, we need you to draw your picture portrait style, which means the shorter edge is at the top of the picture. Please only use felt tips or pencil crayons and keep within the border. Please email [PTA@salfordschool.org.uk](mailto:PTA@salfordschool.org.uk) if you need any more information. We are happy to accept more than one entry if you have lots of ideas for the programme cover.
