Cinderella

The star of the show. Cinderella is the sweetest and most wonderful person in the whole world. She dreams of finding her one true love and finally breaking away from her wicked stepmother and her two less-than-gorgeous stepsisters.

Will Cinders get to the ball? How will she get away from her evil stepfamily? Will she find love? How many questions can I ask in a row before I start sounding crazy?!

Buttons

Think of the most handsome, clever and charming man in the world. And then forget about him because I'm going to tell you about Buttons.

Buttons is a lovable buffoon. He is not the smartest... or the strongest... or the most handsome... and he always acts like he's had one too many coffees... BUT he is Cinderella's oldest (and only) friend.

He would do anything for Cinderella, he REALLY fancies her. Apparently that's meant to be secret...

Prince Charming

Remember the handsome, clever and charming man from earlier? This is him. Prince Charming is stuck in his pristine castle with thousands of servants and bags of gold with his face on. Poor guy. Well, not poor. He’s actually very, very rich.

Wicked Stepmother

Is this woman a way of calculating the mathematical average of some numbers? Because she is MEAN. There has never been a more evil stepmother. She married Cinderella’s father after Cinderella’s mother died and has made life horrible. She has:

- Stole from beggars
- Takes up 3/4 of the bed when sleeping
- Forced Cinderella to work as a servant
- Tied Buttons shoelaces together

Ugly Stepsisters

Beauty is in the eye of the beholder, but all sighted people can agree these ladies are neither beautiful... or ladies. These two irritating ingrates are busy living life of luxury whilst poor Cinders works away.

If you see them, give them a really big BOOOOOO from me.

Baron Hardup

Baron Hardup has it all. The house. The wife. The morally questionable child labour. He is only lacking one small thing in his life: a spine. After his wife died, he was left with a daughter to take care of. So, like any responsible parent, he married an evil narcissist who put Cinders to clean their mansion.

He does love Cinderella, but he faces bullying from his new wife and step-daughters...

Fairy Godfather

This winged wonder has a mission to save Cinderella from her life of sweeping. The Fairy Godfather uses his miraculous magic to mitigate our main's misery by giving the mundane maiden a marvellous make-over!

In other words, gets Cinderella to THE BALL!

Dandini

The character you have all been waiting for. THE UNTOUCHABLE.

Dandini. He is Prince Charming’s most loyal and competent servant. He has always served the Prince exceptionally well and has never done anything wrong.

He is always willing to help the Prince with whatever he wants, even if it’s completely swapping identities...
