Dear Parents/Carers

Seesaw Online Learning Platform – Year 1

We hope this letter finds you and your family safe and well.

Similar to Tapestry, all children in Years 1-6 use a secure online learning platform called Seesaw (<http://seesaw.me>) to support home-school learning. As your child is due to move to Year 1 in September, we would like to introduce him/her to Seesaw before the summer break. Seesaw gives children a place to document their learning whether working online or producing work that is not reliant on digital devices. Each child gets their own learning journal which can be used to add things like photos, videos, drawings, or notes. Seesaw is used differently to Tapestry. Unless we are out of school or a task has been specifically set, Seesaw will not be checked daily, so any communications need to go through the school office unless it is a short message that can be given at drop off and pick up times.

To support the introduction of Seesaw, on Monday 19th July we will provide some transition materials and activities on each account for you to access and add a response. It would be helpful if you could respond to this **by Friday 3rd September** so we can review them before the children start.

However, before we can create your child/ren's accounts we need to obtain your permission. We would appreciate it if you could complete this short online form to give us consent to start creating your child/ren's online learning account.

Please can this form be completed by **Friday 2nd July 2021**.

Without your consent we will be unable to provide your child with online learning support via Seesaw.

Yours sincerely
