Chair of Governors: Paul Cummings

Child:

Saltford Primary School Mobile Device Policy

I understand that, should I bring a mobile/smartphone to school, that I must follow the below rules:

I will switch my phone off at the start of the day and not switch it back on until I leave the school site.

My phone will be stored in a safe place with my teacher during the day.

I am not able to take my phone on school visits or bring it to PTA events.

I am not able to use my phone whilst attending before or after school clubs and it must be stored in a safe, out of the way place during this time.

I understand that if I need to contact home during the day, I can speak to my teacher to organise this.

I will not use my phone to take images or videos of myself or other children while in or near the school.

I understand if I do not follow the above, that my phone will be confiscated and only my parent/carer will be able to collect it.
