10<sup>th</sup> October 2024

Good Morning Parents/Carers,

Year 5 have been given an opportunity to take part in a How to Reduce Waste workshop with a focus on repairing and repurposing items. This links with our school focus on sustainability and will allow the children to apply this in their everyday lives.

Many of you may be familiar with the tv show The Repair Shop, Saltford has their own version of this. Share and Repair will be holding a mini Repair Cafe after school on Wednesday 16th October from 3.15pm until 4.15pm . We will have a limited number of repairers who can help to mend clothes, electrical and mechanical items on a 'Give what you can' donation, this means that we are limiting it to 10 people signing up for a slot.

Please only bring one item per family. This is not a drop off service, you and your child can watch/help with the repair!

Please complete the signup form to tell us what you might bring along and choose a time slot to meet with a sewing or other repairer. As we are short of time, it may be that you are asked to return to the Saltford Repair Cafe next Saturday 19th October between 11am and 1pm, where they will also be celebrating International Repair Day and 15th Birthday of Repair Cafes worldwide.

[volunteersignup.org/4L83L](https://volunteersignup.org/4L83L)

For those who can't make it, Saltford Repair Cafe is on at The Saltford Community Hall, the following Saturday October 19th (3rd Saturday in every month) from 11-1pm.

Many Thanks,

Miss Benton and Mr Boyle
