9th May 2024

Dear Parents/Carers,

We are very excited to be learning all about Ancient Greece in Lower Key Stage 2 this term and as such, we have prepared an enrichment day of workshops that will take place on Tuesday 4th June 2024.

During the day the children will take part in a carousel of activities led by staff members and will include:

- Making Greek pots
- Food tasting (We are aware of children with specific allergies, but please do let your child's teacher know if there is anything your child cannot eat.) We will be sampling:

Olives

Feta cheese

Pomegranate seeds

Tzatziki

Hummus

Greek yoghurt and honey

Pitta bread

- Drama re-enacting Greek myths
- Designing and creating a Greek vase

If you have any spare cereal boxes or cardboard that we can use to create our vases, it would be really helpful if you could bring them into class during this week or the first Monday back.

These activities will support and enhance the learning taking place in school and we are certain your children will have a wonderful day immersing themselves in all things Ancient Greek!

Kind regards,

The LKS2 team.
