10<sup>th</sup> July 2024

Dear Parents and Carers

We are very pleased to be sending home your child's report. We hope you find it useful and informative. I am really pleased with the resilience and hard work they have shown. Many thanks to you for all your support with their learning, including hearing your child read regularly and assistance with homework. Thank you also to the staff team who I feel have ensured your child is ready to transition to the next year group.

Teachers have made reference to the end of year National Curriculum expectations for your child for English and Maths.

Information about end of year expectations for all year groups can be found in the Curriculum area of our school website on the English and Maths pages.

<https://www.saltfordschool.org.uk/curriculum/#english>

<https://www.saltfordschool.org.uk/curriculum/#maths>

The report will tell you if your child is working at the expected standard for their age (EXS) exceeding the expected standard for their age or working below the expected standard for their age.

We have included areas for your child to work on, which we know parents have found useful. We have also grouped similar subjects, which may have been taught in a cross-curricular way, rather than keeping them separate.

If you would like to make a comment about your child's progress this year, we ask you to complete an online slip [here](#). This will be sent to your child's current teacher and passed on to the teacher for the next academic year.

Yours sincerely

Mrs D Sage  
Headteacher
