

Good afternoon,

Access afternoons – 28, 29 and 30 March at 3.00 pm

In view of the fact that our parent consultation evenings are virtual (School Cloud), we would like to offer you the opportunity to view your child/children's work via an access afternoon. This will enable your child/children to share their work, show you the areas they are working on and discuss next steps.

To facilitate this we are using the same booking system we use for swimming volunteers. This allows us to limit slots to 15 parents/carers per class per session. The sessions are Monday 28th, Tuesday 29th and Wednesday 30th March from 3.00 pm to 3.30 pm (albeit you may not wish to use the whole half hour) and will be held outside your child/children's classroom.

When we have held access events previously, parents who could not attend due to work commitments have liaised with the class teacher to make alternative arrangements, albeit the event would be run as outlined above. If this applies to you, please speak directly to your child's teacher at pick up or email the school office.

Please use the main Claverton Road entrance when arriving on site. We know that the legislation around COVID has changed, but we are still mindful of ensuring our families stay safe, hence our cautious approach at this time.

The codes you need to register for a session are as follows:-
