Tuesday 21st September 2021

Dear Parents

Please find attached to this letter some information regarding the Reception Baseline Assessment (RBA) that your child will undertake in school in the coming weeks.

This will be administered by Miss Davis and Miss Donovan and will take place during the school day.

We have made the decision to undertake the baseline once the children are in full time to ensure that they are settled and secure with their new environment. Please be assured that this will not be a stressful process for your child and appropriate steps will be taken to ensure all children will be able to access the assessment.

In addition to this baseline, we are also gathering information about your child for our own assessment and will discuss this with you at our first Consultation Evening in November.

Yours Sincerely

Miss Davis and Miss Donovan
