SENT TO ALL PARENTS/CARERS
MONDAY 29 SEPTEMBER 2021

As advised to you on the 13th September, Zest Catering, who provide our school meals, have revised their allergens policy to cover **new legislation that comes into force on October 1st, 2021.**

As part of the revised policy, there is a requirement for EVERY pupil with an allergy, intolerance, or special dietary requirement who will eat food at school at any time to complete a special diets form. Even if your child never (or rarely) has a school meal, it is important that we know about any allergies, intolerances or special dietary requirements as these need to be taken into account for any activity involving food, such as food technology lessons, residential visits etc.

Please complete the Microsoft Form using this link:

so that we can ensure that the kitchen is aware of all dietary needs.

Our previous records will be superceded by this legislation and we will therefore only have the information provided in response to this Microsoft Form. Even if you have previously given the school information, it is crucially important that you respond to this Form by **THURSDAY 30 SEPTEMBER** (ie before the new legislation comes into effect).

Many thanks
