5th May 2022

Dear Parents/Carers

We are launching a project in the School garden to make it a bee friendly area and Saltford Parish Council has very kindly funded some bee bombs to support this.

Our garden is full of a variety of habitats and plants. It is an important area for the school to support children's learning in science and the environment, encouraging them to engage with nature. Time in the garden also supports health and wellbeing.

We will need to prepare an area in the garden by removing some turf. Normally the school Green Team and volunteers would do this, but in this instance the ground would be too hard for the children to dig. If you, or anyone you know, would be available to help on any of the following provisional dates this would be appreciated:-

- Monday 9th May
- Tuesday 10th May
- Friday 13th May
- Monday 16th May
- Tuesday 17th May

Volunteers will work as a team to prepare the ground and the Green Team will sow the bee bombs. Please bring your own spade.

If you can help, please email contactus@saltfordschool.org.uk for the attention of Mrs Newark indicating your availability.

Many thanks in advance.

Yours faithfully

Maria Newark
