November 2021

Dear Year 6 Parents and Carers

This year our Year Six performance for Christmas will be held down at Saltford Hall and will replace their performance at school. They will be performing in the 'Lighting of the Christmas Tree' concert and this will give the children the opportunity to perform a variety of Christmas songs, carols and poems that they have learnt. The concert also includes performances from Saltford Village Choir, and this year the choir and school are performing a joint item.

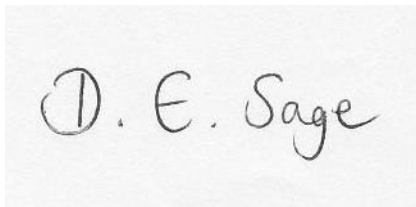

This event is organised by Saltford Community Association and is also attended by villagers who do not have children at the school, albeit as this event is ticketed fewer can attend this year as they have reduced the numbers in the hall. It is a lovely opportunity for the children to perform and be involved in a community event. For our Year Six it is their final year at Saltford School and we would appreciate their participation in this event.

The concert will be held on Thursday 9th December at 7.30pm. The children should meet in the Avon Room in Saltford Hall at 7.20pm, wearing school uniform and smart shoes.

They will be given refreshments after the concert. Please arrange to collect your child from the Avon Room at approximately 8.30pm. We also hope you will be able to attend this special community event and see your child perform.

Please ensure you complete the Microsoft Form <https://forms.office.com/r/CJzaBnYmM3> to confirm if your child is able to participate and whether you wish to have tickets for the event by Monday 29th November. We have been allocated two tickets per child and younger siblings are allowed to sit on your knee.

Yours sincerely

Mrs D Sage
Headteacher
