Dear Parents,

We would like to remind you that the Phonics Screening Check will be taking place during week beginning Monday 6th June. It is important that your child is in school that week as the checks need to be completed by Friday 10th June.

We are sending home some words for your child to practise in preparation for the check. Please encourage your child to look carefully at each word, and try to recognise the digraphs, trigraphs or split digraphs before sounding out the word. Please encourage your child to practise these words independently, but help them if they need support.

Please use these resources to practise sounding and blending real and nonsense words.

Please practise as much as possible for consolidation.

Thank you for your continued support.
