October 2021

Dear Parents and Carers

During the week commencing 15th November there will be a 'phonics check' for all Year 2 children to check their current knowledge of phonics. You may be aware that last year we carried out an internal phonics check, when the children were in year 1, which was an internal assessment and only reported within the Futura Learning Partnership. The Government have now made it a statutory requirement for all children to do the phonics check in year 2 and for these results to be shared with the Local Authority. The results of this will be reported to parents via a letter. Children who do not pass this assessment will retake this at the end of Year Two.

Phonics is one of many ways in which children learn to read. In recent years the government has given the teaching of phonics a higher profile than other valuable recognised methods of learning to read. We teach phonics frequently in class. Phonics lessons focus on learning sounds, blending for reading and segmenting for spelling.

The check will take place with your child and their class teacher, one to one, in a quiet room. They will be asked to sound out and then read 40 words aloud. Your child may have read some of the words before, while others will be non-sense words. Non-sense words are important to include because words such as 'vap' or 'jound' are new to all children. Children cannot read the nonsense words by using their memory or vocabulary; they have to use their decoding skills.

When reading with your child it is very helpful to encourage them to spot the diagraphs e.g. 'ai' as in waiting and trigraphs e.g. 'igh' as in sigh.

For further practice please look at: www.jollylearning.co.uk
www.oxfordowls.co.uk
www.phonicsplay.co.uk
(focus on phase 3 and 5 phonemes)

On the back of this letter you will see the list of words from previous 'screenings'. The words will be different this year but you may find it useful, as a guide, especially when practising the 'non-sense' words. Please see [here](#) for further information about the phonics screening.

Once the check has been completed we will inform you about how your child has progressed via a letter with your child's test sheet attached, and include information to support your child's phonic development. If you have any concerns please contact the class teacher.

Yours sincerely

Miss Jupp

Mrs Newark

Word	Word
fip	yair
pon	blies
hab	keam
ulb	whape
dab	braft
chob	thrant
