June 2022

Dear Parents/Carers

Seesaw Online Learning Platform – Year 1 September 2022

I hope this letter finds you and your family safe and well.

Similar to Tapestry, all children in Years 1-6 use a secure online learning platform called Seesaw (<http://seesaw.me>) to support home-school learning. As your child is due to move to Year 1 in September we would like to introduce them to Seesaw before the summer break.

Seesaw gives children a place to document their learning, whether working online or producing work that is not reliant on digital devices. This online learning platform will replace Tapestry. Each child gets their own learning journal which can be used to add things like photos, videos, drawings, or notes. To support this, in the final week of this term we will provide some transition materials and activities on their Seesaw account for you to access and respond to.

However, before we can create your child's accounts, we need to obtain your permission. We would appreciate it if you could complete the short online form to give us consent to start creating your child's online learning account [here](#).

Please can this form be completed by **Friday 8th July 2022**.

Without your consent we will be unable to provide your child with online learning support via Seesaw.

Yours sincerely

Miss E Davis

Mrs R Hayden

Miss C Evans

Mrs K Hamlen
