Dear Parents and Carers,

Whole School Forest School Project

In term 6, all classes will be visiting Manor Woods for a Forest School session with SG Forest School. This is being funded by our PTA and we are really grateful to them for the opportunity.

Every class will have a morning or afternoon session in the woodland, with a focus on supporting mental wellbeing and building resilience.

We already have permission to take the children out of school for a local walk but we will need a number of volunteers to accompany them on the day. If you are able to help, please use the volunteer sign up here.

All children will need to wear suitable, waterproof clothing and wellies or walking boots. If it is a hot day, they will need to wear a sun hat and sun cream. The children will be able to have their lunch at school before they go or when they return.

The dates for these events will be as follows:
