

BUCKINGHAM PALACE

21st December, 2020

Dear Mr Styles,

The Queen has asked me to thank you for the letters sent by Year Six students, Arlo and Heta, who wrote to Her Majesty about climate change and deforestation.

Although The Queen is unable to reply personally, Her Majesty was encouraged to know that your pupils are taking an interest in ensuring the future of our planet, and was touched that they should wish to share their thoughts and ideas with her.

If your students have not already done so, they might like to visit the website of the World Wildlife Fund, of which The Duke of Edinburgh is President Emeritus, at www.wwf.org.uk, since their work actively involves addressing the issues raised.

Please pass on my best wishes to your thoughtful pupils, and I thank them, once again, for taking the time and trouble to write as they did.

Yours sincerely,

Miss Katherine Martin
Assistant Correspondence Officer

Mr Nathan Styles
