A message from Mrs Sage

Good afternoon everyone,
Happy New Year! My thanks go to our amazing staff, team, parents, children and community for their fantastic support in what has been an incredibly challenging week for us all. Our critical worker and vulnerable children numbers are very high and staff are working hard to ensure children based both at home and school are supported. You have all been sent class letters and these are also posted on the class pages of our school website.

Keeping in touch: this week, continuing the school's commitment to our community, we will be using Twitter [@Saltfordprimary](https://twitter.com/Saltfordprimary) to keep in touch and share all the wonderful things that are still going on in these uncertain times.

Our health and well-being is a priority for all and I know how appreciated your family, friends and loved ones are. We miss you all and please do stay in touch...

HOME LEARNING CORNER

Pantomime: We hope you're looking forward to the Pantomime this Friday afternoon, we certainly are...ohhhhh no we're not... OH YES WE ARE!

Please find attached a few activities you can do to get you in the Panto mood. Don't forget to send us some pictures of you enjoying the show.

Joke of the week

I bought an impressionist painting of some flowers the other day. When I got it home the cat scratched it. Now I'm trying to sell it on eBay as...

A 'Clawed Monet'!

Early Years

Happy New Year Reception. We are enjoying seeing all your work on Tapestry – especially the super crowns you have made. Keep uploading and logging on to Doodle, Numbots and Activlearn for daily maths, spelling and reading.

Key Stage One

Welcome back to this unusual term. Please keep completing your Seesaw work daily – we are enjoying seeing all of your work. Keep going with Doodle, Numbots/TT rockstars daily and daily reading too.

Key Stage Two

Welcome back to Term 3. We hope you have settled into your new routines for home learning and are keeping busy. Do continue to upload all your work onto Seesaw to keep your brain active and make use of our on-line learning. We are enjoying all the posts we have seen so far and want to say a big 'well done' for getting back into the swing of home learning so quickly and being so resilient.

Well-being

There are lots of ideas and resources to support pupils' well-being on our website.

Visit the "[Stay Home, Stay Safe](#)" section for tips and ideas for pupils working from home.

Caring for our community
