## A few words from Mrs Sage...

Good afternoon.

**Curriculum support for parents:** thank you to those Y1 parents who attended our [Zoom meeting last Thursday](#). We hope you found it helpful for supporting your child with their reading, writing and maths. If you were unable to attend, please see [the presentation here](#) and [this video of the meeting](#). Our next meeting is for Y4 parents on Monday 17<sup>th</sup> at 6pm. This will cover how you can support your child as they prepare for the transition into Y5 and to discuss the Y4 multiplication check. See [details in the Y4 letter here](#). We appreciate your support with daily reading and completion of homework.

**Swimming:** we are all very much looking forward to starting swimming next term and making the most of our precious pool. Of course, there are extra considerations because of Covid-19 but we are pleased to have found a suitable system for volunteers to offer their help. This help is vital for swimming to be able to go ahead on site and we urge you to sign up, even if you can only commit to a small amount of time. As there has been a delay to starting lessons this year, we have also asked parents to provide information about their child's ability so that each child can get the most from their lesson. Please find practical information about [swimming arrangements for 2021 on our website here](#).

**Parent Voice Group:** the first PVG meeting this week marked a positive start to a new avenue of collaboration between parents and the school. We know that this is important for the success of the school. There is more news below on that first meeting. If you are interested in representing your class, there are still some vacancies to be filled and we would urge you to consider joining. Please see [the school website for details](#).

**Forest School sessions:** it was a pleasure to see Butterfly and Bumblebee classes set off on Friday for their Forest School sessions in Manor Woods. There are some lovely pictures and a report [on our website here](#).

Have a lovely weekend. If you are out and about, do remember to log your activity towards our [Travel to Tokyo challenge!](#)

## Parent Voice Group (PVG)

Our first PVG meeting last Thursday was very positive and the format of having representatives for each class worked well. We still have room for more reps to join, particularly for classes ED and JSB who have no representation at all at the moment.

The [terms of reference](#) were agreed. Please look at these to see how you can use the PVG to make your thoughts known to school. If you have any concerns regarding your own child specifically then please discuss them with their class teacher in the normal way.

We also discussed communication pathways for effective feedback and discussion between school and parents via the PVG. There will be more detail about this to follow.

The meeting's areas for consultation from school were the Positive Behaviour Policy and the Play Policy and next steps on play. Please [read the minutes](#) for the full discussion.

Your class representatives and all details about the PVG are [on the PVG section of the school website here](#).

## Year 6 cycling opportunity

On Tuesday Year 6 riders were treated to a special cycling event at school.

The peloton gathered early for the 'One Day Classic' event on the school field, also known as the 'Salterium'. They participated in a series of highly competitive races and were privileged to receive expert coaching from Mark Smith from British Cycling.

It was clear how much the children enjoyed a wonderful, energetic event. We may even have some future champions among our talented bunch. See some [lovely photos on our website](#). Many thanks to Mark Smith and Mrs Brook for providing this memorable day.

## Y5 sports festival

On Wednesday, the Y5's had a brilliant day meeting four other local primary schools at Wellsway School for a range of different games activities. Mr Boyle also loved the walk there via Manor Woods!

On arrival the children were greeted by Mr & Mrs Burston and introduced to several stations that were set up so that the children could practise their sporting skills in a fun competitive environment.

The emphasis was on team spirit, fun and co-operation! Thanks to the volunteers who accompanied the walk, to our school sports partners, Mr & Mrs Burston, and Mrs Brook who organised the opportunity.
