September 2020

Dear Parents and Carers

School Lunches

We are very proud of the way our Reception children have settled into school and the independence they have shown when entering and leaving at the beginning and end of their sessions.

During the week commencing 21st September 2020, all the children will be staying for the morning session 8.45- 1.00pm and will have their lunch at school.

Choice of School Dinner

Due to the current situation, we are unable to provide a hot school lunch however, all children in EYFS and KS1 are entitled to a free school meal. The current options are a sandwich/ wrap with the following fillings: ham, cheese, egg mayonnaise or tuna mayonnaise and accompanying healthy snacks. Alternatively, you can provide your child with a packed lunch from home.

The link to the school menu can be found [here](#). Please ensure that you discuss with your child what they will be having for lunch. The orders for lunches are taken at register time and choices cannot be changed after this point as the kitchen staff can only make the lunches that have been ordered. If there are any changes to the menu we will let you know as soon as possible.

At present, the children will eat their lunch in the classroom. Teachers, Teaching Assistants and Playworkers support the children throughout their meal time. The information you have provided about dietary needs has been passed to the kitchen staff and we monitor this very carefully. If you would like to discuss this in further detail with the school cook then please email the office who will be happy to help. **Please inform us immediately if you have not provided us with this information.**

After lunch, the children will participate in playtime. The gates will open at 1.00pm. Please pick your child up from the field following the normal routine.
