Headteacher: Dawn Sage
Co-Chairs of Governors: Megan Jackson and Richard Rowland

NOTICE OF INCONSIDERATE PARKING OUTSIDE SCHOOL PREMISES

This notice has been placed on your windscreen as the school has been notified by a local resident/concerned parent that you have parked your car without due care and consideration to the neighbours of the school or to the safety of our children.

Please do not park on the pavement. PARKING ON THE PAVEMENTS IS ILLEGAL.

Please do not block the entrance to the school.

Please do not park on the zig zags outside of the school.

Please do not block residents' driveways.

Please do not park on a corner.

Please be aware of your speed on the roads surrounding the school.

The roads are very busy at the beginning and end of school, but the safety of the children, indeed the safety of all, is paramount. The landlord and landlady at The Crown on Bath Road have very kindly agreed that parents from Saltford Primary can park in their car park. This is at drop off and pick up times ONLY please. This would certainly ease the pressure of traffic on Claverton Road and Montague Road. If you could consider this we would be really grateful and it would also allow your children to walk part of the way to school.

The school also encourages cycling and scooting to school – we have two large bicycle sheds and a number of scooter pods on site for use during the school day.

The school is very keen to maintain good community links with the residents of Saltford and asking our parents to park with consideration to our neighbours is part of this on-going relationship.

Please be advised that your registration number has been noted and these details will be passed to Keynsham police.
