

# Saltford CofE Primary School

## Saltford's Ofsted report is published:

Ofsted recently visited Saltford C of E Primary School. During their visit, inspectors observed learning in different year groups and subjects. They also spoke to children, interviewed leaders, our school staff, governors and leadership representatives from Futura Learning Partnership. We are absolutely delighted to let you know that the inspectors loved what they experienced at our school and we have been judged to be an outstanding school in all areas.

We are so proud of our school community where children are challenged in their learning and are nurtured to develop personally and academically. Saltford C of E Primary is a place where children value their strong friendships and feel safe and happy in school. We would like to say a huge THANK YOU to you, our parents, wider families and local community for your support in helping us to achieve this milestone for our school.

I would encourage you to [read the report](#) which captures why Saltford is such a great school.
