

Above Queens School, Saltford, the class of 1902.

Saltford School in 1919

School building c.1950s/early 60s

Side view c.2010. Original clock still visible as in 1950s photograph.

Saltford School c 1901, the entrance archway is visible, and the side route to Queens Square and the playground. This can only show the staff and a few of the children, for there were about 100 on the roll by this date
